

Mini Hearing Self-Test

1. Do you ask people to repeat themselves?
2. Do you have trouble understanding speech when there is background noise?
3. Do you play the TV or radio too loud?

"At El Dorado Audiology, I received understanding, patience and proper fitting. I am so happy to be hearing conversations once again. My family appreciates it, too!"

"The staff worked diligently to get my husband's hearing devices to fit comfortably. Now he can hear me without saying 'What?' or just ignoring me. Thank you for working with my husband until the perfect match was made. No one even knows he's wearing them!"
