

USEFUL WEB SITES

Description	URL
This is the web site for Committee on Children, an organization that provides curriculum resources for educators and families. Their programs range from prevention of violence and bullying to personal safety.	www.cfchildren.org
This organization offers a variety of programs and services for the treatment and prevention of child abuse and neglect, including the 24-hour a day Childhelp National Child Abuse Hotline, 1-800-4-A-CHILD®.	www.childhelpusa.org
Parent-Wise is specifically designed to assist parents and other caregivers in their desire to keep children safe from abuse. The site also links to Arizona's Child Abuse Info Center developed for professionals and volunteers dealing with child maltreatment issues.	www.parent-wise.org
This web site is devoted to the prevention of child sexual abuse and abduction. School, community and faith-based programs are offered.	www.childlures.org
KidSafety of America	www.kidsafetystore.com
Educational series for ages 4-12	www.yellodyno.com
This site contains useful information about managing a volunteer program safely and effectively.	www.volunteer.ca
This site contains resources for risk management in general, with a focus on parishes and schools, including prevention of abuse from the risk management perspective.	www.guideonecenter.com
Home page for Child Protective Services	www.azdes.gov/dcyf/cmdps/cps/
Home page for the Southern Arizona Children's Advocacy Center	http://www.soazadvocacy.org/
Education and treatment resources, including a 24-hour crisis line for anyone who has been assaulted (800-400-1001).	www.sacasa.org

USEFUL WEB SITES

<p>The Arizona sex offender list is available from this site and is useful in background checking.</p>	<p style="text-align: center;">www.azsexoffender.net</p>
<p>This Department of Justice web site allows a national search for registered sex offenders. It is useful in background checks of persons new to Arizona.</p>	<p style="text-align: center;">www.nsopr.gov</p>
<p>The Arizona court records are available from this site, which is also useful for background checking.</p>	<p style="text-align: center;">www.supreme.state.az.us/publicaccess</p>
<p>A multi-faceted campaign to prevent child sexual abuse is the focus of this site. The group provides materials aimed at touching the conscience of abusers and potential abusers, urging them to seek effective help. There are also materials to increase the awareness of the public regarding the trauma of abuse and effective ways to stop it.</p>	<p style="text-align: center;">http://stopitnow.com</p>
<p>Arizona's Child Abuse InfoCenter</p>	<p style="text-align: center;">www.ahsc.arizona.edu/acainfo</p>
<p>You can subscribe to the periodic Safety Bulletin at no charge.</p>	<p style="text-align: center;">www.praesidiuminc.com</p>
<p>This is an extensive document that covers the basic areas any organization must consider in developing a safety plan.</p>	<p style="text-align: center;">www.cdc.gov/ncip/dvp/preventingchildsexualabuse.pdf</p>
<p>Child Welfare Information Gateway provides access to information and resources to help protect children and strengthen families.</p>	<p style="text-align: center;">www.childwelfare.gov</p>

USEFUL WEB SITES

<p>Recommended Websites for Internet Safety</p>	<p style="text-align: center;">www.isafe.org Provides a curriculum for self-study and for presentations to others</p> <p style="text-align: center;">www.netsmartz.org Provides educational programs and resources</p> <p style="text-align: center;">www.getnetwise.org Provides references to a variety of blocking/ filtering and monitoring software</p> <p style="text-align: center;">www.nap.edu/netsafekids Provides information on prevention with respect to Internet pornography</p> <p style="text-align: center;">www.cybersmartcurriculum.org Provides educational resources</p>
<p>This Website provides education for parents or teens. Predators are good at spotting needs or vulnerabilities in a child. This site has a table (with animated illustrations) of 10 “ploys” that predators might use.</p>	<p style="text-align: center;">www.wiredsafety.org</p>
<p>An interesting site for youth to learn how to deal with difficult situations. Parents should review the site before suggesting it to the child to see if it is a good fit.</p>	<p style="text-align: center;">www.howtodealwithcreepypeople.com</p>
<p>This site offers activities books to teach child safety to the very young and to their parents. The materials have been used by Lestonnac Pre K and Kindergarten in Douglas.</p>	<p style="text-align: center;">www.positivepromotions.com</p>
