
PAYROLL DEDUCTION AUTHORIZATION
2018 Annual Catholic Appeal

Why is the Annual Catholic Appeal Important to the Diocese?
The Diocese of Tucson is funded through three sources: Chancery Assessment, the Annual Catholic Appeal, and investment income. Because the Diocese of Tucson has limited funds to invest, it does not have a large amount of investment income thus making a fulfilled Annual Catholic Appeal all the more important.

YOUR participation in the Annual Catholic Appeal helps ensure that funding is available for the charities and ministries that serve our parishes.
